

INNOVATION COMPETITIONS

allow grassroots organizations to submit original ideas and win grants to start their projects

FOUR MAIN THEMES OF THE VACI PROGRAM

COMMUNITY SUPERVISION

Monitor public investment projects at the community level

COMMUNICATIONS AND RAISING AWARENESS

Use diverse and modern technology to raise public awareness on anti-corruption

IMPROVEMENT OF PUBLIC SERVICES

Create open channels for users to provide feedback to improve public services

YOUTH INVOLVEMENT

Engage the youth in integrity and anti-corruption activities

KNOWLEDGE EXCHANGE ACTIVITIES

share knowledge on the legal framework, current situation, experience and related issues for effective anti-corruption
