# THANKS A LOT!

In 2018 your donations
helped us to...

LibreOffice
The Document Foundation

Support two hackfests in Hamburg and Munich, to help developers share knowledge

Maintain our infrastructure, to assist developers, contributors and end users

Organise the LibreOffice conference in Tirana, with attendees from around the world

Pay a small team working on release building, documentation, marketing, design and more

Coordinate bug-hunting sessions, to improve reliability of new releases

Modernise LibreOffice's database to support Firebird, and share knowledge about how it was done

Donate today, and let's make LibreOffice even better!
