

HOW OUR ORGANIZATION HELPS STUDENTS

TUTORS

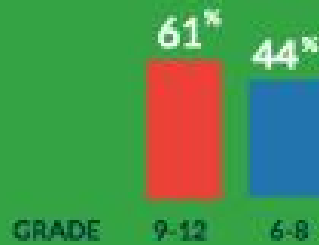

Our trained volunteer tutors help students achieve better understanding of math, reading, science, and history

Percent of students who improved in the areas they were tutored in

PEERS

Our younger peer volunteers give students in our program a "buddy" to help them navigate school life

Percent of students who said they benefited from the peer program

74%

of funds raised go directly to resources used by tutors and students

62%

of parents say they notice a marked improvement in their student's behavior and grades

81%

of students say they now have access to resources they need to succeed
